HealthMakers

What are **HealthMakers** self-management courses?

- A chance to explore a variety of proven skills and techniques that can help improve your ability to live better with your condition and improve your quality of life
- An opportunity to discuss the issues with your peers who can support you in your learning and who understand the challenges you face

All in a safe environment with fully trained facilitators.

It will:

- Enable you to understand the benefits of good self-management and how this can improve your quality of life
- Help you to work in partnership with health professionals.

What will I gain?

- Knowledge, skills and tools to help you manage your condition
- Listening skills and ability to learn from others
- Opportunity to inspire and be inspired
- Chance to help others in a similar situation and shape future experiences
- Ability to manage medication and ongoing treatment

Who can attend?

The courses are aimed at adults (18+) who are living with a long term health condition and living in East Berkshire, covering: Ascot, Bracknell, Maidenhead, Sandhurst, Slough or Windsor and surrounding areas.
